

MUTERIAN KELVIN SAMPAAO

112-00241 Kitengela, KENYA | 0717034632 | muteriank02@gmail.com

PROFILE SUMMARY

As a computer science student, I am a detail-oriented and motivated individual with a passion for problem-solving and programming. With experience in areas such as application development, network management, database management and design, I am a quick learner who is always eager to take on new challenges and expand my knowledge and skills. I am committed to staying up-to-date with the latest developments in the field and am dedicated to producing work of the highest quality.

CAREER OBJECTIVE

To obtain a challenging role in the field of software development, where I can apply my programming skills and problem-solving abilities to develop innovative solutions. I am seeking an opportunity to work in a dynamic and collaborative environment that allows me to learn and grow while contributing to the success of the organization.

KEY SKILLS

- Programming languages: C, Java, C++
- Web development: HTML, CSS, JavaScript
- Database management: SQL
- Data structures and algorithms
- Strong problem-solving skills
- Detail-oriented with a focus on quality assurance
- Excellent communication and leadership skills

EDUCATION

Undergraduate Degree

Aug 2020 - To Date

Daystar Univerisity

Bsc. Applied Computer science

Highschool Education

2016 - 2019

Kitondo Boys High School

Kenya Certificate of Secondary Education

HOBBIES AND CO-CURRICULAR ACTIVITIES

- Reading Informative Books
 - Travelling
 - Riding Motorbikes
 - Hiking
-

VOLUNTEER WORK

Lenchani Child Development Centre

- Provided assistance to network users regarding troubleshooting and procedures.
- Helped to achieve a consistent look and visual theme across the website by promoting uniform fonts, formatting, images, and layout.
- Successfully identified, diagnosed, and fixed website problems, including broken links, typographical errors, and formatting issues.
- Planned and implemented new content for the organization's website.
- Performed general computer hardware maintenance

Lukenya Pillars of Transformation

- Support the implementation of baseline and other surveys, such as project reviews, and mid-term and end-of-project reviews.
 - Ensure compliance with the requirements of the reporting systems for preparing project reports as per the Donor formats/requirements.
 - Prepare presentation and distribution to stakeholders: data, lessons learned, best practices, and the statistical, qualitative, and anecdotal evidence provided by the activities.
 - Write a variety of documents and analytical reports, e.g. data summaries, workshop reports, etc.
 - Assess risks and provide mitigation measures.
 - Monitors and evaluates progress in projects and highlights areas that need improvement.
-
